PIXMA MP 110

PIXMA MP 130

Bringing affordable All-In-One excellence into your home

Enjoy excellent, photo quality printing plus
perfect scanning and stand-alone copying

Beautiful to look at and easy to place, the PIXMA MP110 and PIXMA MP130 combine high quality photo printing with colour scanning and copying - in one compact unit. What's more, the PIXMA MP130 even provides direct photo printing straight from memory cards or via a Photo Index Sheet. Making it invaluable if you own, or want to acquire, a digital camera.

MORE VALUE IN LESS SPACE

To buy a printer, a scanner and a copier is very costly and they take up stacks of space. The PIXMA MP110 and PIXMA MP130 offer you the intelligent solution. Attractive, affordable and highly efficient, these compact All-In-One machines provide fast, full colour output for all your needs. A compact, clever design ensures that they fit neatly on the smallest desktop or shelf. So you save on money as well as space.

PHOTO LAB QUALITY PRINTING AT HOME

Get outstanding borderless photo printing, without any white frame around the edges. Benefit from fresh, rich and faithful colours. Canon's FINE* print head uses tiny Micro-Nozzles that eject 2 picolitre ink droplets, to deliver a high 4800 x 1200 dpi print resolution. The end result is that every colour and detail is captured perfectly. Allowing you to print perfect borderless photos on 4 x 6", 5 x 7" and A4 sizes, with either PIXMA model.

SWIFT, HIGH QUALITY SCANNING

Both PIXMA models scan your photos and documents perfectly. A CIS sensor gives maximum detail and colour intensity to scanned images, thanks to a high 1200 x 2400 dpi resolution with 48/24-bit colour depth. Scanning is fast, even for high resolution images. A USB2.0 Hi-Speed interface transfers data speedily between your PIXMA machine and PC.
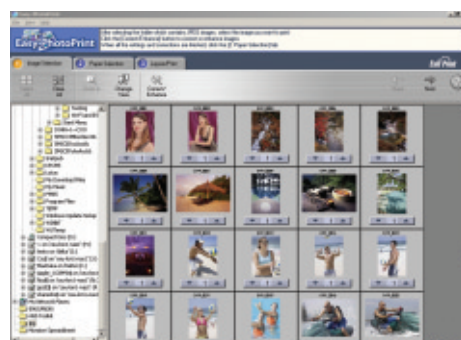

RAPID PRINTING AND COPYING

The PIXMA MP110 and PIXMA MP130 prints and copies homework, letters and documents fast and efficiently. You can print at up to 18 pages per minute in black and white or 13 pages per minute in colour. Or produce a superb 4 x 6" borderless photo print in only 58 seconds. Another advantage is quick, one-touch copying without the need to turn on your PC - a possibility not offered by some other All-In-Ones.

REAL EASE OF USE

Simple to install and easy for everyone to use, your PIXMA multifunctional makes printing, scanning and copying a pleasure. Included software adds to overall fun and efficiency. Format and print internet pages at the touch of a button, without losing the edge of the page, using Easy-WebPrint. Easy-PhotoPrint brings the same simplicity to photo printing, enhancing your digital photos effortlessly.

DIRECT PHOTO PRINTING FROM MEMORY CARDS

Print superb photos straight from your digital camera's memory card. The PIXMA MP130 accepts all popular memory cards, for fast and easy photoprinting without using a PC. Simply insert your card into the built-in card reader and use the control panel to select the images and photo sizes you want to print. You can share beautiful borderless photo prints just moments after your photos are taken.

PRINT FROM A PRACTICAL PHOTO INDEX SHEET

If you prefer, you can have your PIXMA MP130 print out a Photo Index Sheet from your memory card, showing all your photos. Just use a pen to mark the ones you want to print, with your preferred settings. Then scan the sheet and the PIXMA MP130 automatically prints out your selected photos. Printing fantastic borderless photos, whenever and however you want, has never been so simple and straightforward.
